Necole Mitchell Griffin MSN-Ed, RN, HTC

INSPIRATIONAL SPEAKER | TRANSFORMATIONAL COACH | EDUCATOR | ENTREPRENEUR

Like you, Transformational Coach, Necole knows first-hand how fear can prevent you from taking risk and literally steal your life away. Knowing that many are playing small in this great big playground of life, Necole invites you to come out and play bigger than ever. Necole is a sought-after speaker and coach who fully believes that an "Elevated Mind-Style creates an Elevated Life-Style". Her superpower is shining a light on an unknown mental horizon and moving her clients into immediate action for long-term result.

As the CEO of Wellness On The Move, Necole helps professionals reinvent themselves and new entrepreneurs find and amplify their voice, and income. With over two decades of healthcare expertise, speaking, coaching, and most importantly through her personal business, she delivers relatable messages for conferences, on-line events, panels, retreats, workshops and seminars.

Praise about Necole:

"Necole delivers more than powerful messages, she puts you into action."

Dr. Thembi Carr-Dobbs | CEO LG Enterprise LLC, Secrets of Human Sexuality (SOHS)

" An on-time message that made me see past my limitations and become a better leader and entrepreneur."

> Michelle A. Daniels | Founder & CEO, MAD Ministries & Business Network

"I was ready to give up and then you made me see everything so differently. I cry when I think about just how far I've really come". Wendy M. Columbus, OH

SPEAKING TOPICS:

An Elevated Mind-Style creates an Elevated Life-Style

Break free from limitless thinking and intentionally create mental images that give permission to build and live the lives that we not only desire, but that we deserve.

Learn what elevating your mind-style will makes you do differently.

Take the Tape Off of Your Mouth For Good This Time

Fear appears in our lives in various forms and boldly steals our ability to have successful relationships with others and definitely interferes with making money.

Discover how what you are afraid to speak is the very thing that will help you to build a thriving relationships and business.
